# Physician Says Anthrax Malady Less Prevalent

---

Diligent Research Renders  
Great Aid In Treating  
Curious Ailments

---

By ROYAL S. COPELAND, M. D.

During the last century greater strides have been made in medicine than during any previous era. To recall what our grandparents did makes us realize the truth of this statement. They often treated infected wounds with applications of vinegar, rum, gunpowder and cabbage-leaf poultices. A disease
